

Bradford & Cookbury Parish Council Community Benefit Fund

Guidance for Grant Applications

The Purpose of the Community Benefit Fund

This £12,000 per annum fund exists to support community groups and not-for-profit organisations in our area to assist rural regeneration and the sustainability of our community. Our area comprises the parishes of Bradford & Cookbury and the northernmost fringe of Ashwater Parish in the close proximity of the Dunsland Cross Wind Farm, with parish boundaries as delineated in May 2018.

General:

Applicants for funding are expected to have a constitution (a governing document or set of rules) and a bank account in the name of the organisation. The only exception to this will be for very small grants given to help new groups and projects get started.

Grants should generally be regarded as one-off payments and there should be no expectation of repeat funding. As soon as the £12,000 is fully allocated, all remaining applicants will be notified that funding for that year has been terminated and that fresh applications will be required for the following year's allocation.

Only rarely will 100% of any project's costs be offered. It will depend on the level of funding requested. It is expected that applicants will also make a contribution to the costs of the project, either from their own reserves, by fundraising or by using other grants from other sources. Match-funding and staged payments might be required for larger, more expensive projects.

The fund will support projects that:

- Improve digital and mobile connectivity in the local area
- Provide, maintain or improve community buildings
- Provide support for locally-based transport schemes
- Increase access to activities or services for the local community
- Encourage skills, employment and improve rural opportunities and social enterprise
- Offer sport, recreation and improved health and wellbeing

Examples of such projects are:

- Community transport schemes, assessed on individual merit
- Services that would otherwise not be able to continue in our rural area
- Community projects such as: Memory cafés, luncheon clubs, sports clubs, befriending schemes
- Capital projects (community building projects, feasibility studies)
- Activities that develop life skills and experiences, e.g. money advice, cooking
- Start-up costs for new clubs and organisations
- Work preparation or training
- Projects that bring people of all ages, skills and ethnicities together
- Community events
- Extra-curricular school activities

Exclusions:

- Previously-funded projects which have run over-budget
- Large projects where a small grant would make little or no difference

The following cannot be funded:

- Organisations which are regional or national charities (unless locally led and run in our area)
- Organisations which have substantial unrestricted funds
- Grant-making organisations
- Organisations which are run for the personal profit of an adult or which are commercial
- Projects which require retrospective funding (activities which have already taken place or repayment of money which has already been spent or committed)
- Projects promoting political or religious beliefs
- Overseas travel
- Fundraising events
- Projects which replace statutory responsibilities (e.g. school curriculum activities, road repairs)
- Ongoing core costs of projects (e.g. running costs or staff salaries)

The Application Process

For grants up to £250

1 Complete the application form below and send it to **Paul Clarke, Secretary, BCPC Community Benefit Fund, Little Copse, Dunsland Cross, Brandis Corner, Holsworthy, EX22 7YH**. 2 Your application will be considered by the Funding Committee at its next scheduled meeting. You may wish to attend this meeting, or the committee may request your attendance, to present and discuss your case, after which a recommendation to award or refuse a grant, with supporting reasons, will be made to the full Parish Council for a final decision.

3 You will be notified of the final decision as soon as possible. If you are unsuccessful, reasons for refusal of a grant will be given and, if possible, ways in which your application could have a better chance in any future submission. If you are successful, the parish clerk will contact you to arrange payment of the grant.

4 You will be expected to send photographic or other evidence that your project has been completed, when available, to the address shown in paragraph 1.

- iv) a copy of your most recent full accounts and annual report
- v) a copy of your safeguarding policy (only if your project engages children, young people or vulnerable adults).

3 Your application will be considered by the Funding Committee at its next scheduled meeting. You may wish to attend this meeting, or the committee may request your attendance, to present and discuss your case, after which a recommendation to award or refuse a grant, with supporting reasons, will be made to the full Parish Council for a final decision.
