Note from Clerk/RFO regarding “no” answer on section 1. - Point 7

Sadly due to severe indisposition during the last , and indeed build-up in preceding, years, the clerk was unable to deal with outside agencies, therefore PAYE & VAT were not actioned.

The clerk would like everyone to be aware that the pain, inflammation etc were directly caused by normal food and drink, including tea, eggs and chicken. The doctors could find no “reasons” for the symptoms.

However upon excluding all processed and non-organic foods and beverages, the symptoms have begun to subside. It clearly took a long time to become so debilitated, and recovery and repair take time.

She would like everyone to be aware that the NHS cannot provide all the answers, and advises that we should all be aware of what we are putting into our bodies.
